ORGANISATIONS LAST YEAR

Why sponsor?

Connect

Researchers and research
leaders

Engage

Research software engineers

Influence

Data professionals and
stewards

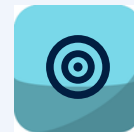

Reach

National facilities and
infrastructure providers

Showcase

Your tools, software and
services

Align

With FAIR, AI-enabled and
data-driven research

Who came last year

Role mix of external delegates at last year's Showcase, drawn from universities, national research centres, industry, government and funders. This year's Showcase is built for the same community.

Position your organisation alongside a nationally recognised network advancing physical sciences research infrastructure.

✓ Power supply

✓ Venue Wi-Fi

✓ Networking breaks

✓ Lunch sessions

✓ Drinks reception

✓ Sponsor listing

Building on last year's Showcase

LAST YEAR'S KEYNOTE

Professor Jacqueline Cole

shared her pioneering work in **data-driven materials science**, showing how AI and machine learning are accelerating the discovery of energy-sustainable materials.

Last year's PSDI Showcase at the Library of Birmingham featured keynote talks, resource demos, lightning talks and exhibitions.
